

# REGIONAL NRM SHOWCASE: celebrating 5 years of regional NRM in Queensland

Wednesday 20 and Thursday 21 May  
Jupiters Casino, Townsville

Some 32 presentations will provide an overview of the experiences, successes and challenges of sustainable natural resource management through the regional process. Program highlights include:

- What we've gained from growing pains | Suzie Christensen, CEO Fitzroy Basin Association;
- Can \$11 million have an impact? A candid look at the impact of investments in the Condamine catchment | Phil McCullough, CEO Condamine Alliance;
- Champions and Sustainability Scholars in far north Queensland | Moni Carlisle, Terrain NRM;
- Beating the tyrant: meeting the communication challenges of the tyranny of distance with the use of new media | Leanne Kohler, CEO Desert Channels Queensland;
- Back on Country | Ron Acher and Ricky Archer | Northern Gulf Indigenous Savannah Group
- Managing Southeast Queensland's ecosystem services | Simone Maynard, SEQ Catchments
- Climate change and variability in the Reef Catchments | Will Higham, Reef Catchments
- Mining and energy industry impacts on the natural resources in the Queensland Murray Darling Basin | Geoff Penton (CEO) and Liz Todd (Policy Officer), Queensland Murray Darling Committee

## Registration information and costs

Attendance for the staff and board members of Queensland's regional NRM groups is free. Others are welcome to attend and a registration fee will apply. Please refer to the registration form for more information, or contact Lane Pilon on 07 4699 5000 or [lanepilon@rgc.org.au](mailto:lanepilon@rgc.org.au). Registration forms must be received no later than Friday 15 May 2009.
